Tzu-Yao **Lin**

Joint PhD candidate

tzu-yao.lin@kuleuven.be | https://tzuyao-lin.github.io/ | tzuyao-lin | tzu-yao-nick-lin | 0000-0002-2261-448X

Education

KU Leuven and Maastricht University — *Belgium and the Netherlands*

Joint PhD candidate — *Oct 2022–Mar 2027 (expected)*

- KU Leuven: Research Group of Quantitative Psychology and Individual Differences; Supervisor: Prof. Francis Tuerlinckx
- Maastricht University: Department of Methodology and Statistics; Supervisor: Prof. Sophie Vanbelle

National Taiwan University — *Taipei, Taiwan*

MS in Psychology — *Sep 2019–Jun 2022*

- Overall GPA: 4.02/4.30. Supervisor: Prof. Yung-Fong Hsu

National Taiwan University — *Taipei, Taiwan*

BS in Psychology — *Sep 2014–Jun 2019*

- Overall GPA: 4.12/4.30

Publications

An intraclass correlation coefficient is a correlation: A tutorial — *Manuscript under review*

Lin, T.-Y., Tuerlinckx, F., & Vanbelle, S. — *Under review*

Single-Item Reliability for Intensive Longitudinal Data: A Three-Level Linear Mixed-Effect Autoregressive Modeling Approach — *Psychometrika*

Lin, T.-Y., Tuerlinckx, F., & Vanbelle, S. — *2026*

Incorporating the Luce–Krantz threshold model into cultural consensus theory for ordinal categorical data — *Journal of Mathematical Psychology*

Lin, T.-Y., & Hsu, Y.-F. — *2026*

The impact of the COVID-19 pandemic on vaccine sentiment among Brazilian healthcare workers: A cross-sectional online survey study — *Journal of Global Health Economics and Policy, 5, e2025034*

Lo, C., **Lin, T.-Y.**, Werneck, G. L., Domingues, C., Saavedra, R. da C., Moore, M., Souza, L. E. P. F., Regazzi, L., & Lomazzi, M. — *2025*

Interaction between coffee consumption and polygenic risk score in relation to diabetes: Insights from The Maastricht Study — *European Journal of Nutrition, 64, 263*

Rao, Y., Yu, E. Y.-W., **Lin, T.-Y.**, Chen, Y., Qin, Y., Koster, A., Eussen, S. J. P. M., Bosma, H., Berendschot, T. J. M., van der Kallen, C., van Greevenbroek, M., de Galan, B., Zeegers, M., & Wesselius, A. — *2025*

Reliability for multilevel data: A correlation approach — *Psychological Methods*

Lin, T.-Y., Tuerlinckx, F., & Vanbelle, S. — *2025*

Consistency of perceptual response variability in size estimation and reproduction tasks — *Behavior Research Methods, 57(5), 127*

Yu, K., **Lin, T.-Y.**, Zaman, J., Tuerlinckx, F., & Vanhasbroeck, N. — *2025*

Presentations

Reliability for intensive longitudinal data: A three-level linear mixed-effect autoregressive modeling approach — *Seoul, South Korea*
IMPS 2026 Annual Meeting — *Jul 2026*

Reliability for intensive longitudinal data — *Utrecht, the Netherlands*
IOPS Winter Conference 2025 — *Dec 2025*

Reliability for intensive longitudinal data — *Leuven, Belgium*
OKP Research Seminar, Research Group on Quantitative Psychology and Individual Differences — *Sep 2025*

Reliability in intensive longitudinal studies: A state-space vs. linear mixed model approach — *Prague, Czech Republic*
IMPS 2024 Annual Meeting — *Jul 2024*

Reliability for multilevel data: A correlation approach — *Leuven, Belgium*
OKP Research Seminar, Research Group on Quantitative Psychology and Individual Differences — *Mar 2024*

Reliability for multilevel data: A correlation approach — *Leuven, Belgium*
Leuven Statistics Day: Collaboration — *Nov 2023*

Incorporating the Luce–Krantz threshold model into the cultural consensus theory for ordinal categorical data: A simulation study — *Amsterdam, the Netherlands*
MathPsych/ICCM/EMPG 2023 — *Jul 2023*

Reliability for multilevel data: A correlation approach — *Ghent, Belgium*
EAM 2023 Congress of Methodology — *Jul 2023*

Reliability for multilevel data: A correlation approach — *Maastricht, the Netherlands*
Colloquia Methodology and Statistics, Department of Methodology and Statistics — *Jun 2023*

Awards

Dean's Award
College of Science, National Taiwan University — *2022*
- Top three graduates of the class for outstanding Master's research, academic year 2021–2022

Dean's Award
College of Science, National Taiwan University — *2019*
- Top 10% of the graduating class for outstanding scholastic achievement (Bachelor's), academic year 2018–2019

Professor Fa-Yu Cheng Memorial Scholarship
Department of Psychology, National Taiwan University — *2019*
- Top prize for undergraduate psychology students for outstanding academic performance, academic year 2018–2019

Peer Review

Psychometrika
Reviewer *2026*

British Journal of Mathematical and Statistical Psychology
Reviewer *2025–2026*

Skills

Methods
Multilevel and longitudinal modeling, Psychometrics and reliability, Bayesian statistics, Computational modeling, Neuroimage analysis (fMRI and MEG)

Programming
R (Tidyverse, R Markdown, and Shiny), Stan, JAGS, Python, SAS, Linux

Tools
Git and GitHub, LaTeX

Earlier Research Experience

Neuroimaging and mathematical models of decision-making *Taipei, Taiwan*
Research Assistant *2018–2022*

- Earlier research experience in cognitive neuroscience at National Taiwan University, including fMRI and MEG studies of decision-making under risk, Theory of Mind, and herd behavior, and a hierarchical Bayesian extension of cultural consensus theory to ordinal data (see Publications). Supervisors: Prof. Yung-Fong Hsu, Prof. Heng-Chiang Huang, and Prof. Yu-Ping Chen.

Teaching Assistant Experience

Statistics for Psychologists, Part 6: Advanced Statistical Methods
KU Leuven *2026*

Experimental Design
National Taiwan University *2020–2021*

Statistics in Psychology and Education II
National Taiwan University *2020*

Statistics in Psychology and Education I
National Taiwan University *2019*
